Caroline,

Congressman Williams talked to Secretary Zinke last week about this and his hopes that you can make one of these dates work. Thank you for your assistance in helping get this on the schedule.

June 14<sup>th</sup> is no longer an option for Mr. Hildebrand. Not sure where you guys are in the process but I wanted to let you know. The other two dates work (19<sup>th</sup> and 26<sup>th</sup>). If we need to send dates in July please let me know. Again, thanks for checking!

Caroline,

Micah directed me to you. Congressman Williams asked me to reach out and ask that

Secretary Zinke consider meeting with Jeffrey Hilderbrand, founder, chairman and chief executive officer of Hilcorp Energy Company, an independent oil and gas explorations and production company headquartered in Houston, Texas. He will be in DC later in June and is flexible on the dates and times. I have copied Justin Furnace with his team to help coordinate. We appreciate your assistance in scheduling this meeting.

Thank you-
